

## Spotlight Story: National Funding

1. **Q:** What does your company do that supports/assists restaurants?

**A:** National Funding has been fueling the success of businesses with custom financing solutions since 1999. We provide restaurants and the businesses that serve them with quick and convenient access to working capital and equipment financing programs.

2. **Q:** What's a new service or product of yours that you want restaurant members to know about?

**A:** National Funding's small business loan was purpose-built to help small businesses maintain their operations and grow at the rate they want. We offer next-day funding<sup>1</sup> up to \$500K, and you can use your funds for almost any business purpose—from covering day-to-day expenses to purchasing equipment for your restaurant or even opening a new location.

3. **Q:** Why have you joined the CRA?

**A:** We understand the financial goals—and the challenges—of restaurant owners. By joining forces with the California Restaurant Association, we're able to provide this valued community of business owners with the financing solutions they need to hit their targets.

4. **Q:** Why do you choose to work with restaurants?

**A:** Restaurants and the businesses that serve them provide an invaluable service to our communities. We're committed to making sure their owners have the funding they need to support their operations and continue serving their customers.

5. **Q:** How can people get in touch with you for questions?

**A:** You can speak with one of our dedicated Funding Specialists today by calling us at 888-733-2383, or you can get started online quickly and easily by filling out our form. [Click here.](#)

6. **Bonus Question:** What's your favorite restaurant near you or your favorite restaurant meal?

**A:** Being based in San Diego, there are too many to count!
