

Spotlight Story Q&A: EisnerAmper

1. Q: What does your company do that supports/assists restaurants?

A: At EisnerAmper, formerly "KROST", we provide restaurant specific bookkeeping, accounting and tax work for the restaurant industry. No matter the size, all restaurant companies need quick, accurate, detailed financial reporting to continually make adjustments in this highly competitive industry. In addition to the traditional accounting services, we also provide a deep understanding of the restaurant industry and its challenges through business intelligence and operational consulting.

2. Q: What's a new service or product of yours that you want restaurant members to know about?

A: This time of year we highlight our consulting services in helping clients develop a strategy and budget for 2025. In addition, once we have a budget to work with, we can assist clients in developing a meaningful bonus program for their management team.

3. Q: Why have you joined the CRA?

A: Our firm has been committed to supporting the CRA and CRF for over 30 years. We believe that both the CRA and CRF are integral to promoting and protecting the restaurant industry in California.

4. Q: What's your favorite part of working with restaurants?

A: We love the entrepreneurial spirit of restaurant operators. We also believe that communities are better when they have great restaurants as their corner stone.

5. Q: How can people get in touch with you for questions?

A: Jean Hagan, Partner at EisnerAmper
Email: Jean.hagan@eisneramper.com
